Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by

publication date,
popularity, or rating,
helping you avoid the
weaker titles that will
inevitably find their
way onto open
publishing platforms
(though a book has to
be really quite poor to
receive less than four
stars).
