Animals enrich our lives in so many different ways. The Animal Life category is for questions and answers about animals of all types, including pets, sea life, and farm animals. You can ask ...

Answers about Animal Life

What Is Life? No matter how much scientists discover about the physical systems in organisms and their possible origin, they still have no clue about the infinitely more difficult question of where life came from. If you could make a baby from scratch, with all its physical parts in place, you still would not have a living human.

What Is Life? | Answers in Genesis

With over 75,000 copies in print, this revised and updated guide offers timely information and inspiration from a "sanctity of life" perspective.
