Upstage and downstage, stage left and stage right, would be all the stage directions required if actors moved in perfect vertical or horizontal lines as if on a grid. Of course staging a play requires greater range of movement for the characters.

### List of Stage Directions | Our Pastimes

Defining Common Stage Directions . Stage directions are written from the perspective of the actor facing the audience. An actor who turns to his or her right is moving stage right, while an actor who turns to his or her left is moving stage left. The front of the stage, called downstage, is the end closest to the audience.

### Stage Directions for Actors: The Basics

This is a list of musical terms that are likely to be encountered in printed scores, music reviews, and program notes. Most of the terms are Italian (see also Italian musical terms used in English), in accordance with the Italian origins of many European musical conventions. Sometimes, the special musical meanings of these phrases differ from the original or current Italian meanings.

### Glossary of music terminology - Wikipedia

An important aspect of stage directions tells the actors their locations on stage. For example, "downstage" is near the audience and "upstage" is at the back, while "center stage" is between the two. In addition, "left" and "right" are indicated in reference to the actors' positions when facing the audience.

### MA Musical Direction | Training | The Stage

The Tempest was first performed in 1610-11, but was not printed until the 1623 Collected Works of Shakespeare (known as the First Folio). Shakespeare died in 1616 so he was not involved in preparing his play for publication. The Tempest is a short text in the First Folio, but it has vivid and memorable stage directions. Shakespeare scholar John Jowett demonstrated (in Shakespeare Survey 36 ...

### Stage Directions in The Tempest | Shakespeare Reloaded

Blocking is the theater term for the actors' movements on the stage during the performance of the play or the musical. Every move that an actor makes (walking across the stage, climbing stairs, sitting in a chair, falling to the floor, getting down on bended knee) falls under the larger term "blocking."
