like, computer, arts, education and business. There are several sub-categories to choose from which allows you to download from the tons of books that they feature. You can also look at their Top10 eBooks collection that makes it easier for you to choose.

Ng Book The Complete Book

Very comprehensive book, but not well presented as a paper version, no index, and a complete lack of downloadable code. No one these days types all of the lessons in by hand, yet here there is no option. The main website for ng-book offers an electronic DRM free version with examples and code, and it is a newer book.
