About Us - gideongroup.net - Private Placement Programs

A private placement program (PPP) is a particular type of investment that allows access to the marketplace for trading bank assets, most commonly Medium Term Notes (MTN's). Medium Term Notes are essentially debt notes that allow banks and other institutions to lend to customers.

Private Placement Program 2020 - Trade Wise Community Website

Private Placement Program Traders can make profits by buying a particular instrument or by shorting, (selling it) betting the price will go down. Some Platform Traders buy and sell similar instruments simultaneous, betting on the change in price between the two instruments; this is called arbitrage and spread trading.

Private Placement Programs (PPP) & Trade Platforms - The ...

All trading programs in the Private Placement arena involve trade with discounted debt notes in some fashion. Further, in order to bypass the legal restrictions, this trading can only be done on a private level. This is the main difference between PPP trading and 'conventional' trading, which is highly regulated.
