of moviegoers.

### **What Is a Summary Analysis and How Can You Make Yours Good?**

Answer: A summary means you are telling the main idea of someone else's article, book, or other text. A thesis is your idea and the main point of your essay. If you are writing a summary and response paper, you will need to say what the main idea is of the article you are summarizing and then your thesis would be your response to that article.

Key Point Summary. This type of summary will have all the same features as a main point summary, but also include the reasons and evidence (key points) the author uses to support the text's main idea. This type of summary would also use direct quotes of key words, phrases, or sentences from the text.

## **Key Point Summary**

Summary and analysis are aspects of discussing an outside work in your writing, and function as complements to each other. Summary outlines the main elements of a text (who, what, where, when, why, and/or how) while analysis examines these elements to look for meaning.

## **Analysis vs. Summary**

What is analysis and how is this different than summary? To summarize is to take ideas and present them again in a more concise way. But to analyze is to reach your own conclusions about how the elements of a topic, theory, issue, or story fit together to create something that may not be evident at first glance.
