The Children Of Hurin Silmarillion

The Children of Húrin really extends the World of the Hobbit and Return of the King. Easier to read than the Silmarillion, but still pretty thick. From this I learned lots of nuances (like Elrond is half-human). Would make an awesome movie (which will not happen : ().

The Silmarillion is a fairly easy read, although the names and places can get confusing. I first read it about two years ago, after which I read The Children of Hurin . It wasn't until my second reading of The Silmarillion that everything started to sink in, although that's generally true for most complex novels as well.
