The One Page Project Manager

The NEW One-Page Project Manager With The New OPPM™, this uncommonly practical guide, currently saving time and effort in thousands of organizations worldwide, has itself been simplified, then refined and extended to include the innovative AgileOPPM™. This new edition introduces new material and updates including: OPPM™ templates in color.

One Page Project Manager

The one-page project manager is a great format for tracking simple projects and communicating status with others. Some people may not find the format immediately intuitive but with a bit of training/sharing, I've found that people are quickly introduced to the concept of how to read and create one-page project management summaries.
