The Transgender Child A Handbook

The Transgender Child is, to me, the #1 book for any person (mainly parents) who know a gender non-conforming person. I consider it a great medical or psychological journal in layman's terms. If you or someone you know has a gender variant or transgender child, go pick up this book. Also, it's a book I haven't FINISHED reading.

The Transgender Child: A Handbook for Families and ...

"The Transgender Child is a ground-breaking book. It is a sophisticated and sympathetic look at the world unknown to many of us. Families with transgender children often suffer because of society's prejudices. This book opens a door and shines a light on members of society who deserve the compassion and understanding of us all."

The Transgender Child | A Handbook for Families and ...

Rachel also holds a Masters in Journalism and is the author or co-author of three previous books including The Transgender Child: A Handbook for Families and Professionals and The Ultimate Guide to Pregnancy for Lesbians, both published by Cleis, as well as the Gay and Lesbian Guide to College Life, published by the Princeton Review.

The Transgender Child: A Handbook for Families and ...

Transgender Child includes a Foreword by Dr. Norman Spack, our country's leading expert on the care and treatment of transgender children and youth. It is followed by a series of chapters dealing with all aspects of how to deal with the child, their family and friends, their schools and school administrators and staff.

The Transgender Child: A Handbook For Families And ...

The Transgender Child "For any parent or professional entering this world for the first time, this book is indispensable. Beyond providing a necessary lifeboat for parents, it helps the professional develop empathy for those who are growing up transgender and the families that love them."
